

Print Form Fundraising

Our printed form option is great for PTOs/PTAs and small sports organizations. This option is for the go getter that doesn't mind putting in a little work to earn extra profits for their group. As the fundraising coordinator you will pass out all the flyers, collect orders, tally all orders and input them into our web form or on an excel spread sheet that will be provided to you. Once the orders are complete you will then sort the orders and pass them out. Yes there is some leg work but because we don't have to add in labor to do all these tasks the organization will be able to get more in profit for their efforts.

Program overview

- Up to 10 items on page
- Up to 3 screen printed designs and 1 embroidery design
- Professional Flyer will be provided in PDF so you can make as many copies as needed. (we can print forms and \$75 will be deducted from profits)
